

17. YOO - SIN TUL

E' il nome del Generale Kim Yoo Sin, primo Generale comandante sotto la dinastia Silla. I 68 movimenti di questa forma, si riferiscono alle ultime due cifre dell'anno dell'unificazione della Corea 668 d.c.. La posizione di partenza è quella di una spada posta su lato destro anziché a sinistra, simboleggiante l'errore di Yoo-Sin d'aver eseguito l'ordine del suo re, di combattere con le forze straniere, contro il suo popolo.
